

Consultation service for those who have been evacuated from Ukraine to Japan and are looking for work.

## Hello Work can help you find a job in Japan

At Fukuoka Employment Service Center for Foreigners, the Japanese government employees are there to assist you in finding a job in Japan.

**(For Free)**

- 1 Consultation on your desired work
- 2 Search for companies that you expect to work for
- 3 Introduction to companies that you want to work for

Our consultation service is available in both Ukrainian and English. But, if you have a family member or a friend who can speak Japanese, please come to our office with him or her.
