Caution1 Employers pay workers a minimum wage or more.

Caution2 If multiple minimum wages apply, the highest amount will be substantially applied.

Caution3 For temporary workers, the minimum wage applicable to the place of business to which they are dispatched is applied.

Caution 4 How to compare actual wages to minimum wages.

▶For hourly wages, compare hourly wages with the minimum wage amount.

▶In the case of monthly salary etc.the amount of wages obtained by subtracting the allowance from the predetermined amount of wages is converted to the amount per hour and compared with the minimum amount of wages.
