

～Instead of Worrying, Get a Consultation!～

(General Labor Consultation Corner Guide)

The Hiroshima Labor Bureau established the General Labor Consultation Corner to help foreign workers, such as technical intern trainees, resolve issues between labor and management such as bullying and harassment. Consultation on wages, work hours, and concerns regarding work conditions is also provided. (Consultations are also possible in Chinese, Portuguese, Spanish during the times listed below).

Come to the General Labor Consultation Corner first, so you don't worry alone.

Telephone reception hours are 9am to 5pm every day.
