

Consultation Counter for Foreign Workers

Foreign workers are under the protection of Japanese labor laws and regulations. If you are having some troubles with your working conditions, please feel free to call or visit the Consultation Counter for Foreign Workers in the Inspection Division of Kyoto Labor Bureau. An advisor will provide you some advice to solve your problems in English.

For example...

Dismissal, Termination of contract, Unpaid wages, Overtime allowances, Paid holidays, Injured on the job, and so on...

Feel free to call or visit to discuss your problems.

Your privacy is strictly confidential.
