The minimum wage system

guarantees the minimum amount of wages for all workers.

It covers all workers, including part-time workers and student workers, regardless of their age and working hours.

How do I check if my wage is over the minimum wage?

Convert your pay to an equivalent hourly wage and compare it with the minimum wage.^{(*)1}

Calculation methods

Fill in with your salary and the applicable minimum wage in your prefecture.^{(*)2}

1 For hourly pay

Your hourly pay	≥	The minimum wage (hourly rate)
¥ <input style="width: 80px;" type="text"/>		¥ <input style="width: 80px;" type="text"/>

2 For daily pay

Your daily pay	÷	Average number of scheduled working hours per day	=	Your hourly rate	≥	The minimum wage (hourly rate)
¥ <input style="width: 80px;" type="text"/>		<input style="width: 80px;" type="text"/> hours		¥ <input style="width: 80px;" type="text"/>		¥ <input style="width: 80px;" type="text"/>

3 For monthly pay

Your monthly pay	÷	Average number of scheduled working hours per month	=	Your hourly rate	≥	The minimum wage (hourly rate)
¥ <input style="width: 80px;" type="text"/>		<input style="width: 80px;" type="text"/> hours		¥ <input style="width: 80px;" type="text"/>		¥ <input style="width: 80px;" type="text"/>

4 If your pay is calculated by a combination of 1, 2 or 3 above;

For example, if your basic pay is paid daily and benefits (such as a duty allowance) are paid monthly

- ① Basic pay (daily pay) → Calculate the hourly rate using method 2
- ② Benefits (monthly pay) → Calculate the hourly rate using method 3
- ③ Total amount of ① and ② ≥ the minimum wage (hourly rate)

^{(*)1} The following pay is not considered when you compare your pay with the minimum wage.

① Wages paid in special circumstances (marriage allowance, etc.) ② Wages paid covering a period of more than one month (bonuses, etc.) ③ Wages for work that exceeds scheduled working hours (premium wage for overtime work, etc.) ④ Wages for work other than scheduled working days (premium wage for work on a statutory day off, etc.) ⑤ Of the wages paid for time worked between 10 p.m. and 5 a.m., the portion that exceeds pay for normal working hours (premium wage for night work, etc.) ⑥ Perfect attendance allowances, commuting allowances, and family allowances

^{(*)2} For more detailed calculation methods and calculation methods including commissions, consult the Labour Bureau or the Labor Standards Inspection Office nearby.
